🇬🇧 Bangladeshi

A curious and driven individual with a strong background in global engagement. A former Youth Ambassador of Japan, with hands-on experience in cross-cultural exchange, volunteering, and community development through initiatives like Project Arsha. Passionate about promoting root culture through active participation on national television and radio. Currently working as a research assistant under faculty supervision, demonstrating strong interest in scientific inquiry, academic research, and analytical problem-solving.

📁 WORK EXPERIENCE

IELTS Mentor, SELF EMPLOYED

01/2026 – Present
Online

- After earning an IELTS band score of 7.5 through self-study, began tutoring students individually in IELTS preparation.
- Specialized in Speaking and Writing instruction, providing personalized feedback and targeted improvement strategies.
- Helped students strengthen communication and academic writing skills, with one student improving from Band 5.5 to Band 6.5 in Speaking and Writing within one month.

EARLY YEARS TEACHER, SRIJONY SISHU SHIKKHALOY

01/01/2025 – 31/12/2025
KHULNA,
BANGLADESH

- Tutored 4 – 5 grade's students in mathematics through personalized lesson plans addressing individual learning gaps.
- Achieved an average 35% improvement in students' mathematics scores through targeted instruction and regular practice.
- Strengthened analytical thinking and problem-solving skills by teaching structured approaches to mathematical concepts.

🎓 EDUCATION & TRAINING

RESEARCH ASSISTANT, RANGAMATI SCIENCE AND TECHNOLOGY UNIVERSITY

01/11/2023 – Present
Rangamati,
Bangladesh

- Reviewed and summarized scientific literature related to the research topic.
- Prepared research documentation and structured notes, ensuring clarity and proper scientific formatting.
- Created flowcharts and visual representations of research processes using Flowchart tools to illustrate experimental or conceptual frameworks.

- Organized and maintained references and digital research records using Zotero for efficient citation management.

HOBBIES AND INTERESTS

Radio Host & Presenter  — Hosted various radio programs since the age of 12, engaging audiences through storytelling, recitation, interviews, and cultural discussions. | Developed strong communication, public speaking, and audience engagement skills through live and recorded broadcasts. | Connected with and inspired over 500 listeners by promoting culture, language, creativity, and educational content. | Also has experience with television production and studio shoots as a featured singer on Bangladesh Television (BTV)

HONOURS AND AWARDS

Queen's Commonwealth Essay Competition  , *Roya Commonwealth Society* 15/10/2025
Selected as a gold awardee among 53,434 applicants from 56 countries in The Queen's Commonwealth Essay Competition 2025. I genuinely love writing and have won district-level essay writing competitions four times

Asia Kakehashi Scholarship

15/02/2022

Japanese Government Facilitation : AFC American Help Centre

Selected nationally from 800+ applicants to represent Bangladesh in the Japanese government-funded Asia Kakehashi Scholarship. Led 10+ presentations and cultural workshops in Japan, engaging over 500 students to promote cross-cultural understanding. After returning home, conducted guidance sessions on international study opportunities for 300+ peers. Personally mentored one student who was later selected as a Youth Ambassador, supporting their preparation and application journey.

☆ VOLUNTEERING

Founder of Project Arsha

- While many enjoy access to opportunities, countless others remain untouched by progress. Through awareness sessions on education, drug prevention, and co-curricular engagement, we aimed to spark hope and motivation among marginalized communities. Our project collaborated with multiple NGOs, enabling us to sustain activities financially and expand our reach.

Project Leader - VBD

- Led 5 divisional-level projects focused on education and community development. Raised BDT 20,000 to support project implementation. Coordinated the plantation of 1,000+ trees across 20 schools. Promoted the “Let’s Read” educational app in 10 schools to encourage reading habits. Helped achieve a 40% reduction in device addiction through awareness and engagement activities.
